TRAINS WORTH WAITING FOR

**FASTER, QUIETER,
MORE COMFORTABLE,
NEW ELECTRIC TRAINS
ARE COMING TO THE
NORTH WEST.**

To help provide faster, more frequent services, Network Rail needs to carry out major engineering work on Farnworth Tunnel, which will cause some disruption to train services. This timetable will operate from 2 May – 4 October while one line through Farnworth Tunnel is closed. Where possible, services will operate with additional carriages providing more seats due to the reduced frequency of services. Please bear with us as we make the largest investment in the railway for 100 years, to make your journey better for years to come.

This timetable is a summary of the train services between Southport/Kirkby and Manchester/ Manchester Airport during the Farnworth Tunnel work. Other services run between Bolton and Manchester (please see the Farnworth Tunnel timetable 11), and Manchester Piccadilly and Manchester Airport.

HOW YOUR JOURNEY IS AFFECTED DURING THE WORK

Train times will be amended on this route with some replacement bus services running. There will also be no trains running through Clifton, Kearsley, Farnworth and Moses Gate for the duration of the work. Replacement buses will pick-up/drop off at these stations.

Please see station useful information posters for bus pick up and drop off information.
